UNIFORM GUIDELINES:

- **Kindergarten students** are expected to wear a burgundy polo shirt purchased from Top Marks for fieldtrips. Other than fieldtrips a uniform is not required.
- Black, grey, white or burgundy **undershirts** can be used for warmth and may be worn under any of the “tops” listed above. The bottom of the undershirt may not show below the bottom of the uniform shirt.
- When the airport temperature at 7:00 a.m. is –20 degrees Celsius or colder girls may wear their black pants in place of their tunics on Full Dress days. The rest of the uniform must remain the same.
- When summer temperatures are predicted to exceed 26 degrees Celsius on full dress days boys may remove the vests, and girls may wear an open-toed black sandal (no flip-flops).
- **Hats and bandanas** are not permitted with the uniform inside the school.
- The **girls’ tunic** should fit appropriately at the waist.
- Students require **outdoor shoes, indoor shoes and gym shoes**.
 - Outdoor shoes are shoes of your choice for going to and from school.
 - Indoor shoes must be black dress shoes. Indoor shoes cannot be open toe, high heel or sling back styles.
 - Gym shoes do not have to be black. Gym shoes cannot be “slip on” style, and should be non marking.
- All uniform requirements are in effect for **field trips**. Field trip notices will indicate type of uniform to wear.
- **Gym dress** – Students in grades one through three will not change for gym. Students with gym on Chapel days can wear sweat pants under jumper and remove vest and tie. Students in grades four and five are required to change. Gym dress consists of T-shirt and modest shorts of your choosing (no questionable advertising or logos on gym wear, please). Students in grade six must wear school gym strip.
- **Hoodies** other than HCA uniform pieces are not permitted at any time.
- Designated “**Theme Dress**” days occur from time to time. Theme Dress days allow students to wear an outfit on a certain theme (ie. sports, book character, etc.) If students do not choose to wear the “theme outfit” on these special days, they must wear their regular uniform.
- Uniforms are to be clean, neat, tidy, with no holes and are to be worn properly. In order to maintain great looking uniforms in the school, you may receive a notice requiring you to correct your child’s uniform in one of the following areas: torn, worn out, stained, improper fitting, missing tie, missing shoelaces, missing buttons, etc. To prevent fading of new burgundy polo shirts, wash them before wearing in cold water with vinegar or salt.
